**COVID-19 PROTOCOLS**

To protect our community, please wear a mask. You can read our full COVID-19 protocols, including equipment sanitization, at [sightcentertoledo.org](http://sightcentertoledo.org).

Clinically-validated, eSight is worn by thousands of people with 20/60 - 20/800 visual acuity caused by 24 different eye conditions including macular degeneration, Stargardt's disease, and diabetic retinopathy. Wearing eSight, many achieve 20/20.
